Environmental Policy

Compass Developments (NE) Limited (the 'Company') recognises the importance of environmental protection and is committed to operating its business responsibly and in compliance with all legal requirements relating to the design and construction of its projects. It is the Company's declared policy to be cooperative and maintain good relationships with all regulatory and advisory bodies.
The Company commits to the following:

- Complying with relevant environmental legislation and regulations and with industry best practice guidance and advice wherever possible.
- Developing, implementing and regularly reviewing the Company's Environmental Policy and procedures, ensuring that these are kept up to date with legislative and organisational changes and ensuring, wherever practicable, that industry best practices are followed.
- Providing training, support and the required resources to employees to ensure the implementation of this Policy as appropriate to their roles and duties.
- Enabling and encouraging the active involvement of all employees and any other organisational stakeholders in environmental matters related to the Company's activities.
- Minimising the wastage of materials, energy and water.
- Diverting materials from landfills wherever possible through reuse, recycling, etc.
- Promoting the use of sustainable materials and services wherever possible.
- Eliminating, reducing and/ or controlling pollutants to land, water and air, and noise, dust or other nuisances arising from our activities.
- Continuously improve the Company's environmental performance through regular review and updating of our environmental policy and procedures.

This Policy and its requirements are communicated to all employees and sub-contractors prior to any work being carried out. The Policy is made available to the public and any other interested stakeholders.
